Qualities

- Passion for coding
- Self learning capability
- Hard working
- Profound Analytical ability

Education

Master of Arts (MA)
Chittagong College.
2022-2024

Bachelor of Arts (BA)
A. A. H. C. Degree College.
2017 - 2022

A few words about myself

I am a self-taught passionate Web Application Developer specializing in **ReactJs**. As a React developer, I can convert a Figma design to a perfectly responsive website template and give them life using ReactJs. I am very comfortable with the **Next.js** framework and have sound knowledge in both client and server-side rendering.

Notable Projects

subscenebd

Project Summary: It's a subtitle upload platform for movie lovers. Major platform features include- subtitle crud operation, users crud operation, and role base access control. call external API for movie info. then send information to the database with a subtitle file.

Major Challenges:

- State management
